

Surge Guard® Protection For Your Electric Equipment And Appliances

Palmetto Electric Cooperative's *Surge Guard* program helps members protect their valuable electronic devices and appliances from damage caused by electric power surges. Power surges can be caused by lightning strikes on power lines, motors switching on and off, vehicle accidents involving utility equipment, and other unavoidable occurrences. *Surge Guard* can help stop power surge damage.

Primary Surge Protection* - *First line of defense for your home or building*

Meter Base Protection (MB-SPD)

Standard Meter Base: up to 600 amps 120/240
\$5.95/mo.

INCLUDES:
