Customer agrees to have Palmetto Electric Cooperative, (PEC) install an off-peak switch(s) on the electric water heating system at the above location. Customer understands program incentives will be awarded only if the water heating system meets the program guidelines and requirements.

Customer also understands that PEC shall have the right at reasonable times to inspect the system to insure proper operation and program compliance. Customer agrees to report any problem or necessary maintenance regarding the water heating system.

Customer agrees to allow the off-peak switch(s) to remain a functioning part of the water heating system and to purchase electric energy from PEC for a minimum period of ten (10) years from the date enrolled in this program. If for any reason Customer ceases receiving electric energy from PEC for water heating or other home needs, Customer is no longer eligible to be enrolled in this program and any outstanding sums, advanced or loaned by PEC, together with interest, if applicable, shall immediately become due and payable to PEC. Palmetto Electric Cooperative may end or change this program without notice at any time.

Homebuyer Date

H2O Select®

Program Benefits

Energy efficient electric water heater

Large capacity tank

Free 60 month water heater repair service to include:

Elements

Thermostats

Limit Switch

Pressure Relief Valve

Wiring

There's never a fee for labor or a service call

Service is transferable to new owner

An H2O Select water heater provides plenty of hot water when you need it, and it operates only during off-peak hours, when demand for electricity is lowest. On-peak times typically average 5 days per month up to 5 hours per day.
