

## **Dual-Fuel Heat Pump Rebate Qualification Standards**

### Eligibility:

- Only Palmetto Electric Cooperative, Inc. members are eligible.
- Residential existing and newly constructed homes are eligible.
- One rebate per home is available for installation of a Dual-Fuel Heat Pump.

### Dual-Fuel Heat Pump Equipment:

- Only Dual-Fuel Heat Pumps (DFHP) will qualify.
- Each DFHP system must include: new heat pump outdoor unit matched with a new indoor unit and new gas furnace.
- The system capacity must be determined by an ACCA Manual J load calculation.
- Each system must be controlled by an outdoor sensor that shall prevent operation of heat pump compressor below outdoor temperature of 35 degrees.
- Equipment must be capable of complete automatic switching from heat pump mode to supplemental gas heating.
- The use of supplemental electric resistance heaters is not permitted.
- All equipment must be properly matched and AHRI rated.
- Equipment must be installed by an approved HVAC contractor.
- The HVAC contractor must hold a valid S.C. Mechanical Contractor license.
- Installations must be in compliance with all state and local codes.

### Rebate Details:

- \$700 rebate per system is available for installation of Dual-Fuel Heat Pumps.
- Allow up to 6 weeks for the rebate check to be mailed after PEC inspects the new DFHP.
- A copy of the sales invoice must be included with the application.
- The application must be completed online include all equipment model and certificate numbers.
- The equipment must not be more than one year old from the application date.
- The homeowner must allow for an inspection by Palmetto Electric representative to ensure compliance with the program standards.
- Palmetto Electric Cooperative does not, in any manner, warranty or guarantee any Dual-Fuel Heat Pump system installed under the terms of this program and does expressly disclaim any responsibility for the proper installation and/or operation of any system(s) installed.
- This program is available for a limited time only and may be altered or end without notice.
