

# Surge Guard® Protection For Your Electric Equipment And Appliances

Palmetto Electric Cooperative's *Surge Guard* program helps members protect their valuable electronic devices and appliances from damage caused by electric power surges. Power surges can be caused by storm damage on power lines, motors switching on and off, vehicle accidents involving utility equipment, and other unavoidable occurrences. *Surge Guard* can help stop power surge damage.

## Primary Surge Protection\* - *First line of defense for your home or building*

**Meter Based Protection (MB-SPD) "Stops power surges at the electric meter before they can enter."**

**Standard Meter Base: \$5.95/month**  
36 month minimum

### INCLUDES:

- First Stage "Surge Protection Device"
- Free Grounding Inspection
- Free Installation
- Warranty\* against surge damage
- Free service calls if surge event occurs
- Free replacement as needed
